

RL850

The RL850 is recommended for lawns of up to 10,700ft².

Robomow[®] RL850 is an automatic lawnmower that cuts the grass all by itself. All you have to do is drive it to the lawn and press the GO button. Robomow[®] will do all the hard work, leaving a beautiful manicured lawn.

53cm Heavy-Duty 3-blades mulching system

Exclusive drop-and-go 24-volt batteries

User controlled theft protection and disabling system

Manual controller for convenient transport of the mower from the garage to the lawn and between plots, as well as mowing very narrow areas manually.
